Dear Mr. Hill,

I am notifying Summit Agriculture and your agents that I am revoking my permission for land surveys in respect to the Summit Carbon Solutions Midwest Carbon Express pipeline project. I do not support this project and will not be signing a voluntary easement. I do not wish to be contacted any further.

I will be registering a copy of this notification with the Minnesota Public Utilities Commission.

Information on how to send the letter to Summit & the Public Utilities Commission—

You will need to mail this via the US Postal Service and send it Registered and Certified.

Then you will need to email the Minnesota Public Utilities Commission and send them a copy of this. The way you do this is by creating an email and in the subject line put: **DOCKET NO. U-999/CI-21-847**

It is very important that you put the Docket No. in the subject line and the **email address for the PUC** is scott.ek@state.mn.us or consumer.puc@state.mn.us
